

70THANNIVERSARY

CONTINUOUS COMMITMENT TO EXCELLENCE

保華建業70周年 承優擴展 創新里程

The many unique and iconic construction projects undertaken by Paul Y. Engineering over the past 70 years together constitute an enduring testament to our commitment to the highest levels of quality, efficiency, and social and environmental responsibility. Our extensive experience in the use of pioneering construction technology, ability to innovate, and capacity to provide outstanding project management and leadership have positioned the firm as an internationally preferred choice to undertake world-class construction projects - throughout Asia and beyond.

保華建業成立70年，從過去參與承建的各類獨特和標誌性的工程項目中，真切反映出我們高質、嚴謹、高效和對社會環境承擔的表現，奠定了集團恆久堅實的根基。近年，我們更將這豐富的經驗、開創性的技術，以及那份勇於創新的精神推進，並把原已出色的領導才能和項目管理能力昇華，令保華建業進一步躋身國際，成為建設亞洲以及其他地區世界級工程項目的首選承建商之一。
